# Pixel Framed

**Pixel Framed**
A collection of oak-framed reindeer moss panels available in 3 sizes and 15 colours. Choose one of our standard designs, or create one of your own using our Online Planner Tool.

**Certificates**
- Lichen picking certified by ISO 9001 & 14001
- Fire resistance class A material rating (ASTM-E 84)
- Passed VOC emission test (CDPH)

**Maintenance / Cleaning**
Reindeer moss repels dust and is completely maintenance free. Dusting only at normal climate conditions with feather-brush or vacuum cleaner at low power setting only.

**Humidity Protection**
Contact with extreme humidity levels (water spray, prolonged direct sunlight, heat-emitting spotlights, etc) can wash out the preservative and should be avoided. The moss dries and becomes brittle when the relative humidity of the air falls below 40% and softens again when the relative humidity of the air rises above 40%.

**Hypoallergenic**
Does not contain any common allergens.

**Installation**
Hanging on the wall with two screws & plugs (included).
